## Monthly Principal Message

Liberty Arts Academy Families,

Let me begin by telling you all that we miss you at LAA! I know that we are all facing challenges, obstacles, and hardships but know that we are a TEAM and family at Liberty Arts Academy and we will ALWAYS be there for our families!

Here are a few reminders about a variety of services and resources that we are offering our families.

- Free breakfast & lunch for all children 18 and under (Monday thru Friday) from 11 am to 12 pm at LAA.
- Student Remote Instructional Packets can be sent to you electronically or picked up at LAA. If you choose to pick up at school, Fridays are the designated pickup days from 11 am to 12 pm at LAA.

Thank you for your continued support of Liberty Arts Academy! We will persevere. Enjoy your time as a family and encourage your kids to read and play as this is a vital component to their academic, social, and emotional growth!

Sincerely,  
Brady T. Wald
