Liberty Families!

Welcome to the 2021-2022 school year at Liberty Arts Academy. Thank you for choosing LAA! We hope you had a relaxing and enjoyable summer and are ready to start the upcoming school year. At Liberty Arts Academy, we continue to do "Whatever It Takes" for our students, families, and the community. We focus on our core values - education, play, and family - which contribute to the academic, social, and emotional growth of each and every student within our school.

Our school will continue to prioritize the health and safety of our students, families, and staff. Ensuring all staff and students wash their hands and use hand sanitizer will help us in accomplishing our safety mission and goals.

Our school is excited to welcome our students and families back on August 4th, 2021. Our educational model and our focus on whole-child strategies will provide opportunities for students that foster a love for learning. Each week students will experience specials/elective classes that include Art, Music, PE, Social Emotional Learning, & Gardening in addition to their regular core subjects.

Last but not least, we are bringing back our community events and want to encourage our families to participate as they are a part of our overall school culture and climate.

Wishing every family a wonderful school year - see you all soon!

Sincerely, Brady T. Wald - Principal
