

The Bulldog Blast

Liberty Arts Academy Family Newsletter

Monthly Principal Message

October is finally here which means leaves are falling, cooler temperatures are on the horizon, and there are new opportunities for kids and families to enjoy being together outside (bike rides, activities, etc.). I am incredibly proud of how hard the Liberty families, teachers, staff, and students have worked during virtual and in-person instruction. Through all of the challenges and obstacles that we have faced during the COVID-19 Pandemic, we continue to support one another.

At Liberty Arts Academy, health and safety continue to be a priority. Our team has developed specific guidelines, expectations, and models that maximize student safety in the learning environment. If you have any questions about LAA's safety expectations or model, please let us know. We are always here to support you!

As we prepare for parent-teacher conferences and Fall Break, please continue to practice safe and healthy strategies within your home and the community. We are grateful for ALL of you as we continue to do Whatever It Takes for our students, families, and the community.

I look forward to seeing more of you soon as we move forward with our in-person reintegration plan and continue remote instruction.

Brady T. Wald, Principal
